

Supplemental Type Certificate

Number SA00367SE

This Certificate issued to Sierra Nevada Corporation
444 Salomon Circle
Sparks, Nevada 89434

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the Federal Aviation Regulations.*

Original Product Type Certificate Number: *See attached FAA Approved Model List (AML)
Make: No. SA00367SE for list of approved airplane
models and applicable airworthiness regulations

Model:

Description of Type Design Change: Installation of a Nose Baggage Compartment on Beech KingAir Models in accordance with Aviadesign Drawing Lists per the attached Approved Model List (AML).

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. Aircraft must be maintained in accordance with an FAA approved Instructions for Continued Airworthiness (AFMS), Revision A, dated October 26, 1998, or later FAA approved revision. Aircraft must be maintained in accordance with an FAA approved Instructions for Continued Airworthiness (ICA), Aviadesign Engineering Order E. O. -B-9653, Issue 2, dated October 22, 1998, or later FAA approved revision. A copy of this Certificate, AML No. SA00367SE, the AFM and ICA must be maintained as part of the permanent records for the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 8, 1995

Date reissued: December 14, 2005

Date of issuance: September 4, 1996

Date amended: October 26, 1998

By direction of the Administrator
